Subject: Application for the position of a “ Laravel Intern ”

Dear Sir,

In response to your job advertisement published in bdjobs.com dated 21 March 2024. I would like to introduce myself to you as I believe I have the skills, qualifications and experience necessary to make a significant contribution to your organization.

I have completed my Diploma in CST degree from the Department of Computer Science and Technology of Faridpur Polytechnic Institute. My keen interest in Computer Science and Technology has enabled me to develop a good knowledge of Programming, Web Design and Web Development.

As a fresher, I have no experience in this sector. However, I have completed some projects with PHP & LARAVEL, which have enhanced my skills and performance. Moreover, I can assure you that I am a quick learner, adaptive, and energetic person.

Here I enclosed my complete resume. I believe working in a reputed organization like your one will provide me an excellent opportunity for my career. I would truly be grateful if I finally selected for that post and I will prove myself to be an important asset for your company through my dedication, sincerity and highest level of professionalism.

Sincerely,

Md. Limon Ahmed
